Case No. 2:13-cv-00298-APG-PAL

## ORDER

(Amd. Stip ESI – Dkt. #158)

13 Before the court is the parties' Amended Stipulated Electronically Stored Information  
14 Protocol (Dkt. #158), filed April 2, 2014.

15 The court conducted a hearing on March 10, 2014, wherein the preservation of ESI was  
16 discussed, and ordered the parties to take all steps necessary to preserve ESI potentially relevant  
17 to the parties' claims and defenses in this matter in full compliance with the litigation  
18 hold/preservation letters sent by Plaintiffs' counsel shortly after this lawsuit was filed.

Having conferred with Special Master Garrie the court is informed that that the proposed  
Stipulation (Dkt. #158) does not accurately reflect what was discussed and ordered during the  
hearing on March 10, 2014, and in subsequent discussions with the Special Master and is  
therefore being revised. As such,

IT IS ORDERED that the parties' Amended Stipulated Electronically Stored Information Protocol (Dkt. #158) is NOT APPROVED and is DENIED.

Dated this 10th day of April, 2014.
